

# CINDI at NSTA 2011

At NSTA Drs. Urquhart, Hairston and Earle presented a workshop for 23 teachers about the CINDI mission and the Earth's ionosphere.

# CINDI at NSTA 2011

At NSTA our comic book character “Cindi” (played by Angeline Burrell, a UT Dallas graduate student) spent two days at the NASA booth, autographing comics and meeting a range of people from Camilla, the rubber chicken mascot for the SDO mission, to Ira Flatow from NPR’s *Science Friday*.
